Wakakirri

Congratulations to our incredible Wakakirri students who took to the stage on Wednesday night! We could not be prouder of each and every one of them.

Their hard work, commitment and dedication truly shone through on the night and we were absolutely thrilled to see our students receive the Wakakirri Spirit Award!

This award is presented to the school that best represents the Values of Wakakirri, and our students stood out not only because of their amazing performance, but because of the incredible spirit and community they brought to the experience.

The award recognises their:

- ✦ Enthusiasm and energy
- ✦ Teamwork and collaboration
- ✦ Commitment to embracing the Wakakirri experience
- ✦ Positive and supportive attitude towards one another
- ✦ Encouragement and support of the other schools participating
- ✦ Ability to celebrate and champion everyone's efforts

Our students were also recognised with four additional awards for their outstanding performance and dedication:

Storytelling Award – Great Story

Lead Cast Award – Performance in Acting

Ensemble Award – Acting Performance

Ensemble Award – Well-Performed Rehearsal

These awards are a wonderful recognition of the incredible effort, talent, teamwork and commitment our students have shown.

Most importantly, we are so proud of the way they supported one another, embraced the experience and represented our school with such enthusiasm and positivity.

Well done Wakakirri students!

Department for Education

Maths Meets Art! – Room 23 News

This term Room 23 students combined Maths and Visual Arts by creating Picasso-inspired self-portraits. Students explored the work of Pablo Picasso while using their knowledge of 2D shapes, lines and bright colours to create unique artworks.

This learning experience encouraged creativity while strengthening students' understanding of 2D shapes.
